Attention Dan Steber

Dear Dan,

I want to say it has been a pleasure dealing with you and you staff over the last 25 years in the maintenance of our Irrigation Systems on All our buildings.

Your personal attention has been a great asset in keeping the irrigation systems running efficiently.

I hope that we can continue for the next 25 years but I don't think I will be around to see it, thank you again and keep up the GOOD WORK.

Regards,

Raymond F. Orsi Sr
